7. Application Instructions

Application

Method:

Remove lid and plastic seal. Insert corner of centre sheet through opening in lid. Reseal by replacing lid. Slowly pull wipe up and over at a 45° angle. Use wipe to clean hands or surface until cleansed completely. Dispose of used wipe appropriately. Ensure lid is closed completely to avoid drying out.

8. Health and Safety Recommendation

- Apply the usual industrial hygiene.
- Pre-testing for adhesion is intended to eliminate potential field problems. This testing will aid in determining the proper surface preparation method.
- For more detailed information, please refer to the SDS.
