

Code	Description	Size	Colour
20118	Soudal Powder Coat Cleaner	4Lt	Clear
20119	Soudal Powder Coat Cleaner	20Lt	Clear

## Description

Soudal Powder Coat Cleaner is especially formulated to clean and remove uncured adhesive and sealants from tools and surfaces. Soudal Powder Coat Cleaner is also formulated to ensure no damage or discolouration to pre-finished substrates such as powder coated aluminium. Due to the amount of pre-finished surfaces on the market we recommend a small trial to ensure compatibility on all surfaces.

## Characteristics

- Excellent clean up
- Removes grease marks
- Minimal effect on gloss levels

## Technical Data

Base:	Solvent
Vapour Pressure (mmHg @ 20 °C):	<35
Specific Gravity (@15 °C):	0.694 g/ml
Flash Point ( °C):	40°C
Solubility in Water:	Immiscible with water
Vapour Density (air=1):	4.8
Percent Volatiles:	100%

## Application

Method: Wipe on, wipe off and surface will be clean.

Soudal recommends a preliminary compatibility tests prior to commencement of application.

## Health and Safety Recommendation

- Apply the usual industrial hygiene
- Please refer to the SDS for more detailed information.

### Remark

The directives and data contained in this documentation is provided in good faith and accurately reflect Soudal's knowledge when its products are properly stored, handled and applied under normal conditions in accordance with Soudal's recommendations. In practice, the diversity of the materials, substrates, environments, site conditions, product storage, handling and application are such that no warranty can be given in respect to the merchantability or fit for purpose, of any product. All users must determine the product suitability for their purposes through testing. This technical data sheet and product properties may change without notice so users, suppliers and retailers of Soudal products should always check that the data sheets they have are the latest. To the maximum extent permitted by law, Soudal disclaims all warranties in relation to either the manufacture, storage and end use of the product. All orders are accepted subject to our current terms of trade. **If any clarification is required, please contact Soudal Technical Services or email [info@soudal.co.nz](mailto:info@soudal.co.nz).**
