

Code	Description	Size	Colour
20128	Soudal Express Powder Coat Cleaner	4Lt	
20129	Soudal Express Powder Coat Cleaner	20Lt	

### Description

Soudal Express Powder Coat Cleaner is used for removing greasy marks. Soudal Express Powder Coat Cleaner is unlikely to affect any powder coated surfaces however preliminary tests are recommended.

### Characteristics

- Extra quick evaporation
- Excellent clean up
- Removes grease marks

### Technical Data

Base:	Solvent
Flash point (° C):	22° C

### Application

*Method:* Wipe on, wipe off and surface will be clean.

*Application Limitations:* Keep away from rubber surfaces and gaskets as Soudal Express Powder Coat Cleaner coat cleaner may attack.  
Test is always best as although initial tests have been completed and show no effect, we cannot guarantee this for all surfaces.

### Health and Safety Recommendation

- Apply the usual industrial hygiene
- Soudal Express Powder Coat Cleaner is flammable (flash point 36°C), can form explosive mixtures with air and is immiscible (WILL NOT MIX WITH WATER) with water. It should be kept away from sources of heat, naked flames and sparks. Electrostatic charge may be generated during handling eg. pumping. Earth container and pipes containing solvent to stop charge. In case of fire, use foam, water spray or fog. Dry chemical powder, carbon dioxide, sand or earth should be used for small fires only.
- We highly recommend a preliminary compatibility test.

**Remark**

The directives and data contained in this documentation is provided in good faith and accurately reflect Soudal's knowledge when its products are properly stored, handled and applied under normal conditions in accordance with Soudal's recommendations. In practice, the diversity of the materials, substrates, environments, site conditions, product storage, handling and application are such that no warranty can be given in respect to the merchantability or fit for purpose, of any product. All users must determine the product suitability for their purposes through testing. This technical data sheet and product properties may change without notice so users, suppliers and retailers of Soudal products should always check that the data sheets they have are the latest. To the maximum extent permitted by law, Soudal disclaims all warranties in relation to either the manufacture, storage and end use of the product. All orders are accepted subject to our current terms of trade. **If any clarification is required, please contact Soudal Technical Services or email [info@soudal.co.nz](mailto:info@soudal.co.nz).**
