5. Packaging

Plastic container 100 pack.

6. Shelf Life

2 years in unopened packaging in a cool and dry storage areas at temperatures between +5°C and 25°C. Avoid freezing.

7. Application Instructions

Application

Substrates: On smooth, non-porous surfaces. **NOTE:** that on rough surfaces, adhesive & sealant may get trapped/caught in the texture and prove difficult to remove.

Method: Remove lid and plastic seal. Insert corner of centre sheet through opening in lid. Reseal by replacing lid. Slowly pull wipe up and out at a 45° angle. Use wipe to clean hands or surface until cleansed completely. Dispose of used wipe appropriated. Ensure lid is closed completely to avoid drying out.

Limitation: Gorilla Trade Wipes are not designed as a surface cleaning product prior to applying adhesives or sealants.

8. Health and Safety Recommendation

- Apply the usual industrial hygiene.
- Pre-testing for adhesion is intended to eliminate potential field problems. This testing will aid in determining the proper surface preparation method.
- For more detailed information, please refer to the SDS.
