

Code	Description	Size	Colour
46105	Gorilla Liquid Sugar Soap	5 Litre	Blue Clear

1. Description

Gorilla Liquid Sugar Soap is a heavy duty concentrated general purpose cleaning product effective in the removal of grease, grime and dirt around the house and workshop.

2. Characteristics

- Fast-working
- Does not leave a residue
- Will make up to 50 litre
- Can be diluted or used neat.

3. Technical Data

Appearance :	Blue Clear Liquid
Odour :	Essentially Odourless
pH (as is):	10-11
Viscosity :	Approx. 200cps

4. Applications

- Kitchen Surfaces
- Laundry and Bathroom areas
- Cleaning of walls prior to re-painting or hanging wallpaper.
- Spot cleaning of surfaces
- General cleaning of Workshop spaces

5. Packaging

5 litre (net content)

6. Shelf Life

1 year in an unopened packaging stored in a cool and dry place with temperatures between +5°C and +25°C.

7. Application Instructions

- For spot cleaning, use a small amount undiluted on the stain, scrub gently and rinse off.
- For general cleaning : 20ml add to 1 litre of water
- For hard to clean surfaces: 250ml (1 cup) add to 3 litres of water
- Repeat if necessary.
- May leave stains on porous surfaces.

8. Application Limitations

Due to the large number of paints and varnishes available we strongly suggest a compatibility test before application.

Due to the fact that specific substrates such as metals, plastics, polycarbonate, etc may differ from manufacturer to manufacturer, we recommend preliminary compatibility tests

Do not use on Brass or raw (milled) aluminium surfaces, - wipe off immediately if applied in error.

Soudal recommends preliminary compatibility tests on surfaces on which Gorilla Liquid Sugar Soap has not been applied previously.

8. Health and Safety Recommendation

- Take into account the usual labour hygiene.
- Make sure the area is well ventilated. Always wear gloves and goggles. In case of contact with skin, wash with water and soap.

Remark

*The directives and data contained in this documentation is provided in good faith and accurately reflect Soudal's knowledge when its products are properly stored, handled and applied under normal conditions in accordance with Soudal's recommendations. In practice, the diversity of the materials, substrates, environments, site conditions, product storage, handling and application are such that no warranty can be given in respect to the merchantability or fit for purpose, of any product. All users must determine the product suitability for their purposes through testing. This technical data sheet and product properties may change without notice so users, suppliers and retailers of Soudal products should always check that the data sheets they have are the latest. To the maximum extent permitted by law, Soudal disclaims all warranties in relation to either the manufacture, storage and end use of the product. All orders are accepted subject to our current terms of trade. **If any clarification is required, please contact Soudal Technical Services or email info@soudal.co.nz.***
