SOUDAL

TRADE PROFESSIONAL.

CATALOGUE

Since 1966, Soudal has been redefining performance for the building industry with a trusted range of sealants, adhesives, and polyurethane foams. From our roots as a family-owned Belgian company to our global presence in over 140 countries, we've remained driven by integrity, innovation, and a bold commitment to progress.

With over 30 years on the ground in New Zealand, our local expertise is backed by 4,000 colleagues worldwide, dedicated to helping trade professionals achieve lasting results. Our extensive product range is tried, tested, and tailored to meet the demands of every job, including specialty solutions for unique challenges.

At Soudal, we're future-focused – constantly evolving through research, sustainability, and smarter building technologies. More than just a supplier, we're your on-site partner—working alongside you to build smarter, faster, and stronger every day.

SOLUTIONS THAT PERFORM

Gorilla Pro Expanding Foam Click & Fix

· Expanding polyurethane foam
· BRANZ Appraised
· Insulates and adheres
· Stops vapour transmission

Gorilla Expanding Foam Cleaner Click & Fix

· Cleans foam guns and nozzles
· Removes uncured foam
· Easy to use Click & Fix system
· Use after every can of foam
· Acetone based compound

Size	Code
500ml	20107

Our comprehensive foam range has the right solution for any job — whether you need thermal and acoustic insulation, fire-rated foam, or flexible option — all with excellent adhesion and trade-quality performance.

Soudal Fire Rated Expanding Foam

- Fire retardant up to 240 minutes
- Efficient seal against smoke and gas
- Excellent adhesion on most substrates (except Teflon, PE and PP)
- High thermal and acoustic insulation
- High bond strength
- Excellent stability: No shrink or post expansion
- Can be painted after full cure

Colour		Size	Code
Light Red		Click & Fix 750ml	20160
Light Red		Aerosol 750ml	20169

Soudal Firecryl Acrylic Sealant

- High dB attenuation
- Prevents the passage of fire and smoke
- Intumesces when exposed to temperatures higher than 120°C
- Can be painted after curing
- Very easy to apply
- Colourfast and waterproof after curing
- Very good adhesion on porous surfaces

Colour		Size	Code
White		300ml	20060
Grey		600ml	21427

Soudal Soudaseal Firestop MS Adhesive Sealant

- Fire retardant up to 240 minutes
- Helps contain smoke and heat
- Optimal performance in NZ climate
- UV resistant for long-term durability
- Will not bubble in high temperatures or humidity
- Low volatile organic compounds (VOC) to protect human health
- Works on porous and non-porous surfaces
- Neutral cure that won't damage your substrate
- Primerless adhesion for fast application (except in stress loaded situations)
- Can be painted with water-based paint

Colour		Size	Code
Grey		600ml	56219

Soudal Fire Silicone B1 FR

- Very easy to apply
- Colourfast and UV-resistant
- Remains permanently elastic after full cure
- Very good adhesion on most surfaces
- Low modulus

Colour		Size	Code
Grey		300ml	20165

Gorilla Pro Gaps Exterior

· Great for weatherboards
· High flexability
· Almost odour free
· Does not stain
· Paintable after curing

Colour		Size	Code
White		310ml	19278

Gorilla Pro Gaps Quick Dry

· Almost odour free
· Very easy to apply and finish
· Colourfast and waterproof after curing
· Immediately paintable
· Paintable with many paint types

Colour		Size	Code
White		310ml	19277

Gorilla Pro Gaps Multipurpose

· Almost odour free
· Forms an elastic water-resistant skin after full cure
· Does not stain
· Excellent adhesion to porous substrates
· Paintable after 20 minutes (**Given the great diversity of available paints it is recommended to do a compatibility test prior to application**)
