SOUDAL

Solutions that perform

Since 1966, Soudal has been redefining performance in the building industry with a trusted range of sealants, adhesives, and polyurethane foams. What began as a family-owned Belgian company is now a global presence in over 140 countries, driven by integrity, innovation, and a bold commitment to building better.

With over 30 years on the ground in New Zealand, we understand the demands of local worksites. That experience is backed by a global network of 4,000 specialists, all focused on helping trade professionals achieve lasting results. Our product range is tried, tested, and tailored to handle everyday needs and the most demanding, unique challenges.

Our range includes Pureseal, designed specifically for plumbing professionals. Our Pureseal Silicone offers outstanding workability, flexibility, and long-term durability, so you can deliver the ultimate finish, every time. No fillers. No solvents. Just clean, safe, high-performance sealants made to meet the needs of the trade.

Our Pureseal PVC Pipe Cement is a high-strength bonding solution formulated for reliable, watertight joins in pressure and non-pressure PVC piping systems. Fast-setting and easy to apply, it's built to handle New Zealand conditions, giving plumbers the confidence to get the job done right.

At Soudal, we're more than just a supplier. We're your on-site partner, helping you build smarter, faster, and stronger, with solutions that work as hard as you do.

We're proud Master Plumbers Silver Business Partners

At Soudal, we take pride in our commitment to excellence in the plumbing industry.

That's why we're honoured to be a Silver Business Partner with Master Plumbers, an organisation that has been supporting and advancing the plumbing industry for 125 years.

Who Are Master Plumbers?

Master Plumbers is New Zealand's leading industry association dedicated to excellence in plumbing, gasfitting and drainlaying. Through advocacy, training, and support, they help ensure that plumbing, gasfitting and drainlaying professionals have the skills, knowledge, and resources to deliver safe, high-quality services.

What Our Partnership Means

As a Silver Business Partner, we align with Master Plumbers' values of quality, professionalism and innovation. This partnership reflects our dedication to:

- Upholding the highest plumbing standards
- Staying up to date with industry regulations and innovations
- Supporting continuous professional development for our team

By choosing Soudal, you're working with a team that is backed by industry leaders and committed to delivering the best in plumbing solutions.

Master Plumbers Recommended Products

Beyond our Silver Business Partnership, we're proud that a selection of Soudal products are now officially Master Plumbers Recommended, a recognition given to products that meet the practical, on-site expectations of plumbing professionals.

This recommendation reflects consideration of performance, reliability, and suitability for real-world plumbing applications. It's an endorsement that carries weight because it comes from an organisation representing skilled tradespeople who understand what works on the job, not just in theory, but in practice.

What Master Plumbers Recommended Means for You

When you choose a Master Plumbers Recommended Soudal product, you're choosing solutions that:

- Have been recognised by a trusted industry organisation
- Perform consistently in demanding jobsite conditions
- Support professional workmanship and long-term results

From high-performance silicones to specialist sealants, these products are designed to help plumbers deliver quality outcomes confidently and efficiently.

Together with Master Plumbers, we're backing the trade with products and partnerships that raise standards, support best practice, and help protect the reputation of plumbers across New Zealand.

SILICONE

PURESEAL
Roof & Gutter Silicone

Master Plumbers RECOMMENDED

- UV resistant in harsh climates
- Highly durable
- COLORBOND & ColorCote compatible
- Corrosion free (up to 15 years)
- Exceptional hold and flexibility
- Waterproof
- Fast skinning time
- WaterMark certified (drinking water safe)
- Ultra-low VOC
- Screw on cap for mess-free easy storage

Colour	Size	Code
Clear	300 ml	132663

PURESEAL
Bathroom & Kitchen Silicone

Master Plumbers RECOMMENDED

- Excellent moisture resistance
- Anti-mould and anti-fungal properties
- Exceptional hold and flexibility
- Quick skinning time
- Ultra-low VOC
- Smooth finish
- Dustproof and waterproof (IP67)
- Screw on cap for mess-free easy storage
- Neutral cure safe for all substrates

Clear	300 ml	175868
White	300 ml	175872
Black	300 ml	175871
Grey	300 ml	175887
Titanium	300 ml	176431

HYBRIDS

Gorilla MS Sealant

Master Plumbers RECOMMENDED

Perfect for the sealing of expansion and connection joints with a wide range of movement. Suitable for a wide range of substrates including blockwork, brickwork, granite, marble, timber, coated and uncoated aluminum.

- BRANZ Appraised
- Superior flexibilty
- Works on damp surfaces
- UV-resistant
- Waterproof
- Paintable
- Non-slump

Colour	Size	Code
White	420 g	20600
Grey	420 g	20601
Black	415 g	20602

CONCRETE REPAIR

Gorilla Epoxy Concrete Repair

Master Plumbers RECOMMENDED

- Super strong structural repair
- Sticks concrete to concrete
- Sticks to damp surfaces
- Patches and repairs concrete
- Heavy duty epoxy mortar

Colour	Size	Code
Grey	2 L	01855
Grey	4 L	01853
Grey	8 L	01854

Gorilla Watertight Concrete Repair

Master Plumbers RECOMMENDED

- Stops leaks in 3-5 minutes
- Concrete repairs, anchor bolts
- Easy to mix and apply
- Will set and harden under water
- Non toxic and non metallic
- Safe for drinking water
- Strong as concrete
- Can be painted after curing

	Size	Code
Dark Grey	500 g	01850

PUTTY

Gorilla Plumbers Putty

Master Plumbers RECOMMENDED

- Excellent adhesion
- Remains elastic
- High bond strength
- Withstands water, acids and alkalis

	Size	Code
Off White	150 g	01296
Off White	250 g	01292

HYBRIDS

FixAll High Tack Sealant & Adhesive

Master Plumbers RECOMMENDED

The strong one, delivering 140kgs of initial tack while still being able to be manipulated. Perfect for shower linings and high strength applications where mould resistance is required.

- High-performance MS sealant and adhesive
- Mould resistant
- High flexibility
- Solvent free
- Odorless
- Will stick to damp surfaces
- Paintable 1 hour after application under normal conditions
- UV and weather resistant

Colour	Size	Code
Black	290 ml	20301
Grey	290 ml	20302
White	290 ml	20303

FixAll Crystal Sealant & Adhesive

Master Plumbers RECOMMENDED

The clear one, outstanding for those areas where you need the clearest of finishes, great for bathrooms, kitchens, and other high end finishings.

- High-performance MS sealant
- Anti-fungal formulation
- Permanently elastic
- Solvent and isocyanate free
- Strong bond on nearly all surfaces
- Interior and exterior
- Super easy to tool and finish

Colour	Size	Code
Clear	290 ml	19331

FixAll Turbo Sealant & Adhesive

Master Plumbers RECOMMENDED

The fast one, the ultimate MS Polymer adhesive when speed matters. Its ultra-fast action, combined with great bonding strength, makes it ideal for all tasks where speed and time are important, such as tiling.

- Hand-tight in 20 mins
- Full strength in 3 hours
- Offers 20% flexibility
- 100% solvent free
- Paintable
- Delivers great UV and weather resistance

Colour	Size	Code
White	290 ml	20311

WATER-PROOFING

Gorilla Waterstop Repair

Master Plumbers RECOMMENDED

- Fully elastic when cured
- Synthetic fibers enhance structural strength
- Solvent based acrylic polymer
- For use in wet or dry conditions
- Possible to apply in sub-zero temperatures
- UV resistant – will not discolour
- Will bridge large gaps
- Long life
- Withstands large temperature variations
- Will bond across 2mm gap (greater than this requires of mesh reinforcing tape)

Colour	Size	Code
Grey	750 g	19388
Grey	10 kg	19393

BUTYLENE

Soudal Manhole Sealant

Master Plumbers RECOMMENDED

- Ideal for drainage systems
- Flexible
- Will not harden
- Has good weather and aging resistance
- Will not stain

Colour	Size	Code
Grey	16 mm x 3.8 m	20079
Grey	20 mm x 3.8 m	20197

Gorilla BlackJack

Master Plumbers RECOMMENDED

- Smooth finishing
- Weatherproof seal
- Seals leaks, cracks and joints
- Use on eaves, gutters and skylights
- Specified with Marshall Innovations Pro-Joists
- Remains flexible
- Suitable for horizontal and vertical applications
- Suitable for application onto wet substrates

Colour	Size	Code
Black	310 ml	19926

ADHESIVE

Gorilla Shower Grab Heavy Duty Adhesive

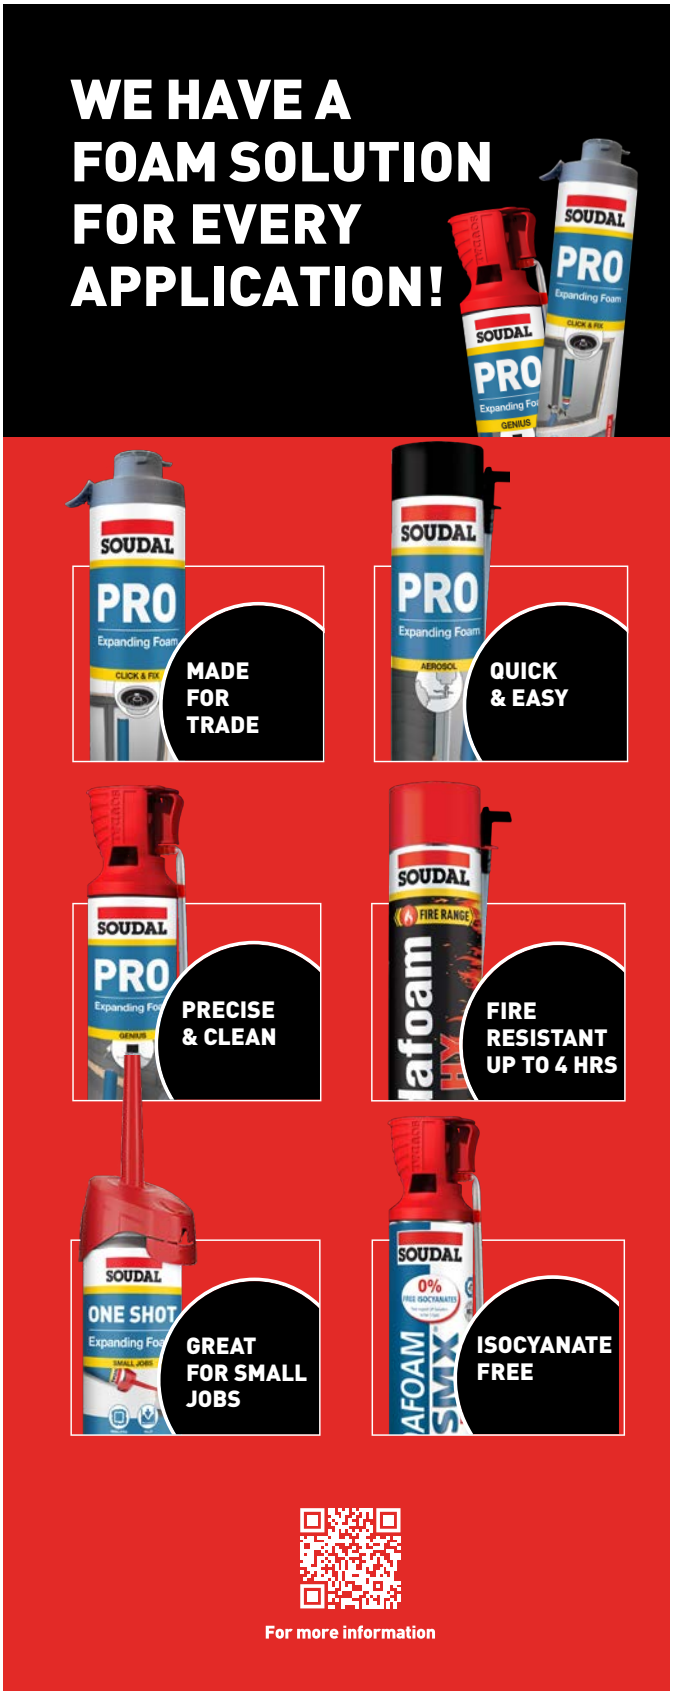

Master Plumbers RECOMMENDED

- High strength adhesive
- Suitable for bonding most substrates, including acrylic shower linings, PVC, MDF, particular board, tiles & ceramics
- Excellent adhesion to damp and dry timbers
- Strong lasting bond
- Waterproof packaging

Colour	Size	Code
Beige	300 ml	20271

EXPANDING FOAM

Soudal Pro Expanding Foam Aerosol

- BRANZ Appraised
- Excellent adhesion on most materials (except PE/PP)
- High thermal and acoustic insulation
- Excellent bonding and filling capabilities
- Excellent mounting ability
- Remains waterproof providing the integrity of the cured foam skin is maintained

Colour	Size	Code
Champagne	750 ml	175591
