

BONDING

WALLBOARD

SOUDAL

WARRANTY

Why use Gorilla Wallboard Adhesive?

Soudal Ltd warrants Gorilla Wallboard Adhesive to bond gypsum based wallboard to timber and steel* framing and ceiling battens when used in conjunction with mechanical fasteners and installed to industry normal standards. Should any substantiated claim arise regarding Gorilla Wallboard Adhesives performance Soudal will replace or repair the affected area at their sole discretion.

- Guaranteed not to slide = instant walls
- Guaranteed to have high initial grab
- Guaranteed not to shrink = no popping

In the unlikely circumstance of a claim email info@soudal.co.nz with the following information - Proof of purchase via the original sales receipt: Name of LBP and contact details, address of contract, details of issue including batch number and best before dates on the Gorilla Wallboard product. Non compliance with the above information may void the warranty.

†See soudal.co.nz for further details

*Test prior
